Research and Design Project

Task 1: Research icons on the internet and think about how we know the story or person they are representing?

Task 2: Design an icon based on the story of Simeon and Anna.

Think about:

- **Which characters will you include? (All of them or do you want to chose just one?)**
- **What can you include in the picture to show people who the character is and their part in the story.**

What are my keywords for a google search on holy icons?

What are the main events in the story of Simeon and Anna?

What materials will I use for my icon? (e.g. paint, foil and collage items, colouring pencils, chalk, a mixture of materials etc.)
